Think Big
ANZCA ASM 2017
Brisbane Convention & Exhibition Centre
May 12-16
“The ANZCA ASM will be held at the Brisbane Convention and Exhibition Centre, which has won many major national and international awards for catering and sustainability.”
Dear partners in healthcare,

Since the early days of anaesthesia as a specialty there has existed a rich and storied history of clinicians collaborating with science and industry to produce continual improvement in patient outcomes and safety. As clinicians involved in the organisation of the ANZCA 2017 Annual Scientific Meeting (ASM) in Brisbane, we would like to invite you to continue your support for our specialty.

“Think Big” is the theme for our meeting and this extends from the scientific content, through to the social program and into other areas such as technological and workshop support. We hope your organisations can assist us by also thinking big for your involvement in our trade display.

Our scientific program will use the “Think Big!” theme to showcase big ideas in innovation, the utilisation of big data and the delivery of quality health care to a big country. We also plan to include sessions on obesity, its challenges in the healthcare setting and the impact it has on patient care. With our commitment to ensure a big future for our profession we will present a renewed focus on medical education.

We are excited to be working towards a big technology meeting and are looking to deliver an almost paperless conference, with smartphones and tablets being relied upon for meeting information, e-posters, social media including a twitter lounge and twitter moderation of each session. We are currently recruiting our twitter army! The committee is also very keen to explore the world of apps and gadgetry as it will apply to us now and in the future. We hope you, as our healthcare partners will be equally enthusiastic in these areas.

Finally, we hope to make our trade display area a fun, interesting and BIG place to be, thus maximising your exposure to our delegates.

The ANZCA ASM will be held at the Brisbane Convention and Exhibition Centre, which has won many major national and international awards for catering and sustainability. Sunny subtropical Brisbane and its environs will surely attract many delegates, who will also be able to discover the joys of our nearby coastlines and rainforests. There will also be an engaging social program on offer.

We look forward to having you as part of our meeting and hope that you, our healthcare industry partners in delivering healthcare will share our enthusiasm for delivering a “BIG” meeting.

The event
The ANZCA Annual Scientific Meeting is designed for specialists and trainees in anaesthesia and pain medicine. It is known as an exceptional conference with an outstanding academic and social program attracting internationally acclaimed speakers. The ANZCA ASM 2017 is expected to attract more than 1500 delegates and accompanying partners from Australia, New Zealand and other regions of the world. The dynamic and dedicated team of anaesthetists on the organising committee are developing an academic and social program not to be missed. A professional in-house ANZCA events team will be available to you to provide excellent stakeholder engagement, marketing and customer service.

The venue
The Brisbane Convention & Exhibition Centre (BCEC) is centrally located in the unique riverside precinct at South Bank, home to Brisbane’s thriving arts and cultural community. South Bank is considered city’s cultural and entertainment hub, home to more than 35 cafes, bars and restaurants and Australia’s most celebrated Gallery of Modern Art.

The BCEC is a transport hub for trains, buses and the city’s high speed CityCats and with purpose built facilities, a convenient location and easy access to all forms of transport, makes life easy for exhibitors and visitors alike.

Meeting promotion
A professionally planned and executed marketing strategy will ensure that the benefits of supporting ANZCA ASM 2017 are widely known across Australia and New Zealand.

This includes:
- Extensive direct mail campaigns.
- Website and electronic promotions.
- Advertising in professional journals.
- Social media campaigns including links with and to online medical education
- Use of hospital, private practice and international and national speaker networks.
- Active promotion at all ANZCA meetings held in the months prior to the ASM.

Why should you sponsor the ANZCA ASM 2017?
ANZCA ASM 2017 provides a unique educational environment dedicated to the exchange of up-to-date (cutting edge and world-leading) scientific research, training and the opportunity to share and exchange ideas with those people most skilled in the use of your products.

If anaesthetists, intensivists, pain medicine specialists, trainees and allied medical personnel are part of your target market, there is no better way to reach all of them at one meeting than by supporting the ANZCA ASM 2017.

The key benefits of sponsorship include:
- The opportunity to promote your name, to support your brands and to maintain a high profile among specialists before, during and after the event.
- ASM delegates are keen to improve their scientific, technical and educational knowledge. Aligning your company with this comprehensive educational experience demonstrates your commitment to assisting their professional development and further education.
- An opportunity to consolidate corporate relationships and expose your staff to their key markets.
- Interacting with delegates face-to-face during morning and afternoon tea breaks, lunchtimes and the healthcare industry cocktail reception.
- Benefiting significantly from exposure to a keenly interested, relevant, and above all, influential audience in an educational environment away from the competition of every day distractions.
- An increase in online exposure through the meeting embracing new communication forums including online education sites, social media, the Virtual ASM and the dedicated ASM website.

The ANZCA ASM 2017 sponsorship team would be delighted to meet with you to discuss these opportunities and to hear your suggestions for promoting your products or services.

Early confirmation of your sponsorship of the meeting will ensure an even higher level of exposure. An extensive promotional campaign including advertisements, direct mail campaigns, email broadcasts and web exposure will be implemented in the lead up to ANZCA ASM 2017 and the opportunity exists for your company to be represented as a key supporter of the meeting well in advance of the actual dates.
Sponsorship Opportunities

Sponsors can choose to be a major sponsor, receiving acknowledgements, benefits and entitlements applying to this level of sponsorship, or contribute through a range of other targeted sponsorship and exhibition opportunities. All prices are inclusive of the Australian Goods and services (GST) tax.

In addition to the listed options, we would welcome the opportunity to discuss your individual sponsorship requests in order to best accommodate your company’s marketing and sponsorship requirements.
